Impressive solid wood

The Pohjanmaan® tables and chairs are made by hand respecting Ostrobothnian carpentry and the multiplicity of nature.

All products are made for all customers according to their orders colour specifications. There are several wood colour alternatives and upholstery materials available. The chair seats can be upholstered with all Pohjanmaan® fabrics and leathers and all Orient Occident and Annala fabrics.

All products are made from solid birch (with a few exceptions) that has been dried and finished in-house. However, painted table tops (white and vanilla) will be always made of 22mm thick mdf (Julia & Helen table 41mm, Basel 36mm).

The product collection includes several table models with many size alternatives. Also included are some coffee tables and side tables.

The chairs are delivered fully assembled in sets of two chairs.

Pohjanmaan® tables and chairs are made to last the test of time. We hope that our customers will have many fine moments sitting at our tables.

Instructions for use

Pohjanmaan® tables and chairs are made from solid birch. This is a pure nature's material. This means that every product is unique.

Solid birch is highly durable material if it is used properly.

Please remember these simple rules when using our products:

- Do not place the furniture in direct sunlight.
- Hot or damp objects cannot be placed directly on top of the furniture. Always use a pot holder
- Dry out any spilled liquid from furniture
- Do not place furniture near a heat source, for example a radiator.
- Do not sit or stand on top of a table
- Tables should be assembled with the top inside the package. Once the legs are fixed, table can be turned over.

Cleaning the furniture:

- Furniture can be cleaned with a damp cloth.
- If a cleaning agent is used, it should not contain any ammonia or abrasive elements.
- Best results can be achieved with Pohjanmaan® Wood Care Kit.
